

“Shore Birds, Sea Stacks & Starfish”

THE PORT OF BANDON BOARDWALK ART SHOW 22nd ANNUAL EVENT

This year we feature three elements of the beautiful Southern Oregon coast, shore birds, sea stacks and starfish. You can use any or all of them when creating your artwork. Shore birds live near waterbodies. They are easily identified by their small to medium sized bodies with long legs and thin bills. See www.odfw.com for photos and information about shore birds.

Sea stacks are remnants of rocky headlands that have been eroded by waves and wind over time. You can see them along the coast at Meyers Creek, Bandon and Gold Beach. See www.fs.usda.gov for more information, or search sea stacks in your browser.

Starfish are called sea stars now. The most common sea star in Oregon is the ochre star. Search online at www.oregontidepooling.com for more information and photos.

You may enter original artwork incorporating variations on the theme. You may choose real or imagined scenes for your visual storytelling.

Tel. (541) 347 – 3206

145 Fillmore Avenue SE

2. The blank art panels are 16”x24” plywood. Your non-refundable \$10.00 purchase price helps cover costs – thank you! A limited number of student scholarship boards are available. A maximum of 115 blank art panels will be available, so be aware they may sell out early. ONLY ONE blank art panel per artist.
3. Deliver your completed artwork to the Port of Bandon, or Art by the Sea Gallery no later than **Wednesday, May 7, 2025 at 12:00 pm (noon)**.
4. The artwork must be your own, original artwork. Photographs will not be accepted due to copyright and weather issues.
5. Your completed artworks should be responsive to the theme and visual in character, using a medium affixed or fastened onto a “front” surface of the supplied art panel. Successful examples from past exhibitions include painted oils, acrylics, pen and ink drawings, engravings and woodburning, marquetry, mosaics, and mixed media. *(Please try to avoid raised (3-d) items from the face of your board that tempt children or birds to pick them off.)*
You may elect to have your artwork presented in “landscape” or “portrait” orientation.
6. Paint and seal the front, the edges, and the back of your completed artwork because your artwork will be exhibited outdoors, with exposure to sun, rain, moisture, wind, and temperature swings. Please limit the finished artwork weight, to minimize stress on the Boardwalk railing wires; ask if you think it’s going to be an issue. The corners of your artwork will be drilled with holes, to facilitate hanging for display. **Clearly write your name, telephone number, and artwork title on the back surface, and your age if you are under 18 years old, with a weatherproof, permanent paint ink marker, (Sharpie will fade), sealed against the elements.**
7. Artworks will be publicly exhibited from **Thursday, May 22, 2025 through Tuesday October 21, 2025**. Artworks will be located either on the Port of Bandon Boardwalk, Bandon Bait Shop, or in the Port of Bandon Picnic Shelter.

12. To be considerate of the public interest, and mindful of the spirit of the show, the Curators reserve the right to decline acceptance of your submitted artwork, for any reason whatsoever, in which event your artwork will be promptly returned to you. This show is not a forum for political artwork.
13. You grant permission for the Port of Bandon to share images and general editorial detail about your artwork, for noncommercial, not-for-profit purposes, including but not limited to news articles, exhibition catalogs, and show promotions.
14. The Port of Bandon Boardwalk is open to the public but cannot be patrolled or surveilled at all hours.
